	<p>The Kerala Hindi Prachar Sabha, running Hindi Acharya Course in Hindi since 2001-2002 with the recognition from NCTE. This course is of one year duration. Till 2014 the B.Ed. programme offered is also of one year duration. The State Governments and the Universities considered both the programmes are equal and made eligible for appointment as teachers. It is during 2014, NCTE amended its norms & standards in which the B.Ed. programme duration was extended from one to two years. At that time all the institutions offering B.Ed. programme were advised to shift to two year duration by way of submitting an Affidavit to the extent. In the case of Hindi Prachar Sabha neither they submitted an Affidavit to the extent not could they extend the duration of the programme from one to two year. In absence of any norms & standards for one year duration programme the SRC express its inability to recognize the programme. It is totally a lapse on the part of the institution and hence the request of the institution may not be considered.</p>
