The report that he submitted to the University is self-explanatory. In view of the prevailing contradiction in the VT Report and the actual position in the institution the Committee is of the opinion that the members of VT Team ((i) Dr.</p>

<p>The original files of the Institution alongwith other related documents, NCTE Act, 1993, Regulations Guidelines issued by NCTE from time to time and documents furnished by the institution were carefully considered by the SRC and the following observations were made:-</p> <p>a) The Committee noted that the A.P. College of Education, Siddipet Revenue Division, Duddeda, Medak District, Telangana was granted recognition for B.Ed. programme from the academic session 2002-03 with an annual intake of 120 students. Subsequently the institution was granted recognition for D.El.Ed. course from the academic session 2012-13 with an annual intake of 50 students. The Management made a request to shift the institution to another place in a different district which is not permissible as per rules.</p> <p>b) Further it is also observed that since last 3 academic years the University is not extending affiliation as such institution is not functional.</p> <p>c) It is also noted from the record requesting for shifting that the land is registered in the name of A.P. College of Education on 24th July, 2017. However the building plan has been approved on 27.6.2016. Further the management has not obtained LUC.</p> <p>Therefore, the Committee is of the view on the basis of conflicting information available on the records that the Management is trying to mislead the SRC to shift the institution to another place which is irregular and illegal.</p> <p>In view of the above, the Committee decided to withdraw the recognition granted to A.P. College of Education, Siddipet Revenue Division, Duddeda, Medak District, Telangana and A.P. College of Elementary Education, Plot No.609, Duddeda Village and post office, Kondapak Taluk and City, Medak District-502277, Telangana for B.Ed. & D.El.Ed programme respectively.</p>
