D.O. No 11-46/2017.Sch-5

Respected Ma'am / Sir,

4th Sept, 2017

Please refer to my DO letter of even no dated 05.06.2017 (copy enclosed) requesting to issue necessary instructions to all the schools/institutions to ensure maximum participation of schools in Digital Citizenship And Cyber Wellness Olympiad 2017-18 being organised by Learning Links Foundation, which is supported by MEITY, UNICEF, Digital India and NeGD.

2. The purpose of the Olympiad is to encourage and promote students to learn to be safe on-line in an era where digitization is no more confined to controlled laboratory but has started impacting real world scenarios and situations. The Olympiad provides an opportunity for not only students but also the educators to learn and be responsible Netizens. With the advent of one-to-one teaching with technology and cashless economy and several other e-initiatives of the government, there is a need to encourage and inculcate interest in students towards using on-line resources more responsibly and efficiently.

3. It is to inform you that participation to the Olympiad is now open till 31st October 2017.

4. Further, it has been proposed to recognize students/educators/community in the 'ACHIEVER'S CLUB' in the CYBER4ALL-GCCS 2017 (Global Conference on Cyber Space) event being held in November 2017 in New Delhi by MEITY, Digital India and NeGD. They plan to give recognition by:

- Giving certificates from the Ministry
- Honor these achievers on stage
- Certify schools/institutions with:
 - Participation from maximum number of students
 - Participation from maximum number of educators

5. Keeping in view the above, I request you to issue necessary instructions to all the schools/institutions and concerned authorities about the extension of the date of Olympiad to 31 October 2017 and ensuring maximum participation of students/educators in the Olympiad.

With regards,

Yours sincerely,
Maneesh Garg
(Maneesh Garg)

D.O. No 11-46/2017.Sch-5

Respected Na'am/Sir,

Dated: the 5th June, 2017

I would like to inform you that A DIGITAL CITIZENSHIP & CYBER WELLNESS OLYMPIAD 2017-18 is being organised by Learning Links Foundation, which is supported by MEITY, UNICEF, Digital India and NeGD. Students of different age groups and also teachers can participate in the online Olympiad after registration.

2. It is our responsibility to encourage and promote students to learn to be safe on-line in an era where digitization is no more confined to controlled laboratory but has started impacting real world scenarios and situations. This Olympiad provides an opportunity for not only students but also the educators to learn and be responsible Netizens. With the advent of one-to-one teaching with technology and cashless economy and several other e-initiatives of the government, there is a need to encourage and inculcate interest in students towards using on-line resources more responsibly and efficiently.

3. To meet the above objective, it is requested to ensure maximum participation from each of your schools in DCCW Olympiad 2017-18 which is available at www.learningolympiads.co.in. Participation is FREE for all students and educators of Government schools Pan India. Details of the Olympiad for further understanding is at Annexure-I. The details of LEARNING OLYMPIADS presentation, brochure, poster, EDM and flier are also be available on the following link:-

https://drive.google.com/drive/folders/0B8pETN_hIZvkR24zb3BWTEVIX3M?usp=sharing

4. All participants from schools will get digital communication, Learning Content, mock tests, final Olympiad, participation and merit certificates and opportunities to participate in similar programs in future. 'Digital Citizenship & Cyber Wellness Olympiad 2017-18' (Phase 1) is open

for participation till July 31, 2017. School with highest number of participations also gets an opportunity to feature on the portal.

5. Keeping in view the above, I would request you to issue necessary instructions to all the schools/institutions and concerned authorities to participate in these activities.

With Regards,

Yours sincerely

Maneesh
(Maneesh Garg) 5/6/17

To,

1. The Principal Secretary/Secretary, School Education, of all States and UTs.
2. The Chairman CBSE, New Delhi
3. The Commissioner KVS, New Delhi
4. The Commissioner NVS, Noida, Uttar Pradesh
5. The Chairman NCTE, New Delhi

Copy to:-

1. The Secretary, Ministry of Electronic & Information Technology, New Delhi
2. Ms. Promila Arun Bij, Learning Links foundation,

ANNEXURE 1**Objective of DCCW Olympiad 2017-18:**

1. Create a secure cyber space for young India
2. Empower through digital literacy, digital resources and collaborative digital platform
3. Create digitally authentic, transparent, real-time and inexpensive life-long learning towards digital empowerment
4. Ethical and productive use of technology through mobiles/smart devices
5. Knowledge of cyber laws in relation to Indian Penal code
6. Opportunity to create a digitally connected learner's community in rural and urban
7. Empower entire paradigm of RESPECT, EDUCATE and PROTECT (REP) while keeping pace with expectations of digital environment and its integration in way of life
8. To identify a cyber-safe community to involve and engage in the Cyber Safety national program being designed by NeGD for November 2017.

Mode of participation:

ON-LINE MODE ONLY to support Cyber safety and also to encourage more readiness of infrastructure for our education community to be future ready in the competitive world and to adopt more and more e-Initiatives/apps/mobile apps introduced by our Government which is the need of the hour towards progress.

Infrastructure requirement for the Olympiad:

- No special requirement; Internet and device will serve the purpose. Device can be either desktop, laptop, tablet or smartphone
- However, a better internet speed will give you a better user experience J

To Participate:

- Go to www.learningolympiads.co.in and register as per categories defined (EDM is attached herewith for details)

Olympiad is open for 4 categories:

- Students (BASIC) – class 3 to 5
- Students (ADVANCE) – class 6 to 12
- Educators – K-12
- Others : i.e. Community including parents (anyone who is interested to learn to be safe on-line)

Olympiad Duration:

- Olympiad is open for participation till July 31' 2017

Participation Fee:

- Participation is FREE for all STUDENTS and EDUCATORS ONLY of government schools across India

Receipt No : 27381/2017/Dispatch Section-HQ

- A nominal amount of INR 300/- (inclusive of tax) is to be paid by private school students, educators and community from any sector (government / private / individual).

Certification and recognition:

- Participation certificate – to every participant
- Certificate of Merit – who obtains 91-95% marks
- Achiever's club certificate – who obtains 96-100% marks
- Get recognised on the portal and be part of future programs at national and international level
- School with highest number of participation also gets an opportunity to feature on the portal

Key features of Olympiad:

- The certificate will hold value specially when students aspire to apply for higher education overseas because of Ministry of Electronics & information Technology & UNICEF endorsement
- One of the very few Olympiads which is open for educators and community
- Completely online, hence participants can take the final Olympiad test anytime, anywhere
- User friendly website that allows participants to browse and access content/information easily without much guidance
- Learning material available online for every participant who completes the registration
- Mock test can be taken any number of times till ready for final test
- Test can be taken on any device i.e. PC/Laptop/Tablet/Mobile
- System transparency as participants can see result instantly after submitting final Olympiad test and also get instant certificate printing option
- Several opportunities to get recognized
- One fee (Fee not applicable for Government school students and educators) for entire Olympiad. This fee includes service tax, learning material, certificate and recognition opportunities
